# Taste of China

RESTAURANT chain Aroma Group has opened a flagship restaurant, **Alisan** (tel: 020 8903 3888, [squaremeal.co.uk/alisan](http://squaremeal.co.uk/alisan)), adjacent to Wembley Stadium. The contemporary eatery, which specialises in dim sum and Cantonese cuisine, makes a great venue for corporate entertainment, seating up to 200 diners at ground level, while a first-floor cocktail lounge can hold receptions for up to 50 guests. A further 12-seater function room and ample on-site parking are further pluses.
